

# SPRING WORKSHOPS

## Beyond Text: Tools for Student-Created Media

Thursday, March 6 12:30 p — 1:15 p

Wednesday, March 19 11:30 a — 12:15 p

Hesburgh Library, Center for Digital Scholarship - Room 129

Presented by: Chris Clark (REMIX-T), Laurie McGowan (REMIX)  
and Tom Marentette (KALTURA Media Gallery Tool in Sakai)

Learn more about REMIX.ND.EDU and the power of integrating digital tools into teaching and learning for the 21st century. This workshop offers an extended overview of REMIX, REMIX-T and the KALTURA Media Gallery Tool in Sakai — the newest resources for teaching, learning and sharing at Notre Dame.

## Alternative Forms of Expression: Cultivating Media-Rich Activities

Thursday, April 24 3:30 p - 4:45 p

LaFortune Student Center, Notre Dame Room

Presented by: Chris Clark, Assistant Director,  
Kaneb Center for Teaching and Learning

Having students create a video, poster, or sound recording can be an appropriate alternative to written work and it helps develop media literacy. During this session you'll learn about the REMIX-T website and begin framing an engaging media-rich assignment.

Elliott Visconsi, Chief Academic Digital Officer  
Kaneb Center for Teaching and Learning  
Office of Information Technologies  
Hesburgh Libraries
